Re: **Stadium Authority Board - Board Nominations**

Dear Sir:

With respect to the process of selecting the two additional Stadium Authority Board members representing the public and considering the current diversity of the Board, I believe that a representative of the Latino Community, such as Peter Guzman, President of the Las Vegas Latin Chamber of Commerce would be an asset to the Stadium Authority Board. Seeing that an application was not completed/submitted on his behalf and in consideration of the legislation which states that the current board members shall consider the recommendations the NFL team and the person or persons interested in and capable of entering into a lease with the Stadium Authority; please accept the following as my submittal for the two Stadium Authority Board members:

Lawrence Epstein and Tito Tiberti

Thank you for consideration and please feel free to contact me with any questions.

Best Regards,

Thomas White
Business Manager-Secretary Treasurer
