Monthly Report - March 2019

LAS VEGAS STADIUM

LV Stadium Events Company, LLC

April 30, 2019

Mr. Steve Hill
Chairman
Las Vegas Stadium Authority
c/o Applied Analysis
6385 S. Rainbow Blvd, Ste 105
Las Vegas, NV 89118

Dear Mr. Hill:

Enclosed is StadCo's monthly Project Status Report covering the development of the Las Vegas Stadium.

We continue to work through schedule challenges imposed by delays in the fabrication and erection of major structural steel in an effort to preserve the Substantial Completion date of July 31, 2020. Although the sequencing and durations of the schedule's 22-thousand tasks continue to change, the Project is on track for an on-time completion.

The Project also remains within its budget. Through the current funding disbursement we have spent approximately \$805 million. The public sector contribution represents 35% with StadCo and the Raiders supplying the remaining 65%.

We are evaluating a range of possible scope and other building enhancements to be undertaken and funded through proceeds of the suite and seat sales program which continues to outperform its budgeted results.

Nearly 70% of all subcontracted work has been awarded to Nevada-based firms.

The Project continues to outperform its 15% SBE contracting goal, with 19% of the subcontracted work awarded to 77 individual SBE firms.

In addition to exceeding our local Small Business contracting goal, we continue to be well above our workforce diversity goal of 38% minority and women participation. Approximately 68% of the 1.3 million construction workforce hours have been filled by minority and female workers.

Sincerely,

STATUS OF DESIGN PLANNING

During the bi-weekly AHJ meeting with the Clark County Building and Fire Department held on Thursday, March 28, HNTB presented the NEZFC plan. The goal was to introduce the County to this area of the building, reach consensus on exiting and fire-proofing issues. This package will be submitted as an addendum to PP 6 on April 26. PP6 includes all the other premium spaces such as the clubs, suites and a select few team spaces. On March 8 and again on March 29, HNTB issued an addendum to both PP5 and PP6 primarily to address Food Service Changes – Priority A. There will be a Design Refinement Meeting early in April to review finishes and FFE for the NEZFC.

The FFE Package was released on March 19. Orders have been placed for samples of all forward facing furniture elements for a final review by Ownership.

Permits received to date include all foundations (Package 2), and all concrete construction permits (Packages 3A & 3B) and the structural steel frame package (permit package 4). All structural building permits for the project are now secured. Non-structural permits received include the Shell, Core and all non-premium spaces (Package 5). Premium spaces – clubs, typical suites and select Team spaces (Package 6).

Upcoming Milestone Dates for Design Deliverables:

April 26, 2019 - North End-Zone Field Club (NEZFC), Owner's Suite, potentially some of the Double Suites.

Second Quarter 2019 (TBD) - Package X –Main Ticket Office Building & Ticket Canopies

COMPLIANCE / SBE

In accordance with Section 31.5-6 of the Southern Nevada Tourism Improvement Act, Mortenson | McCarthy Las Vegas Stadium, A Joint Venture (“MMcJV”) is following the process described below for verification of SBE Contractors.

SBE Contractors apply through the mmcjlvs.com website under the vendors tab. Those seeking certification as a qualified SBE contractor will then fill out and submit a self-certification form, whereas they attest to meeting the criteria for small local business classification denoted in the Senate Bill. The MMcJV Community Benefits Coordinator then reviews the information provided and utilizes the Nevada Secretary of State website: <https://www.nvsos.gov/sos> to verify the Act’s requirements 31.5-2 section a, b, & c in regards to principal place of business, duration of business license, and that the required business license is current. Upon approval of these criteria, MMcJV will then give the contractor the designation of SBE. If firms do not meet the criteria or don’t complete the process, they are not classified as SBE. A listing of all approved SBE’s, or any of the above records can be provided upon request.
